

FROM CONCEPT TO REALITY

AWARD-WINNING CUSTOM BOOTH DESIGNS

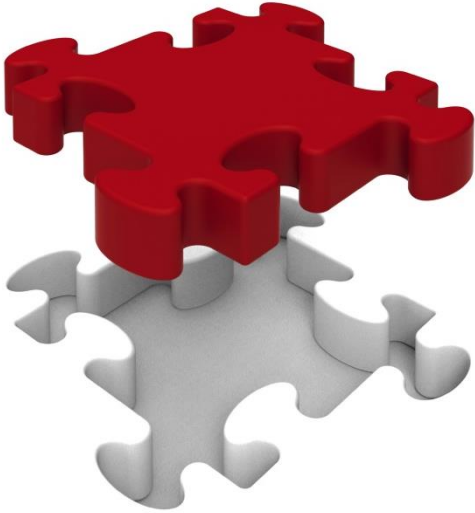

Whether you're an exhibitor, a marketing agency or an exhibit house, Xibeo can help you design and produce creative trade show booths to fit any need.

We are here for you

- **Award-winning designs**
- **Over 20 years experience**
- **Full Turn-key Service including onsite storage, paired with installation and logistic services**
- **Millwork solutions for exhibit, retail, & corporate showrooms**
- **Video Production for live internet broadcasting, virtual shows and video marketing**
- **A team of dedicated, experienced professionals with extensive fabrication and trade show experience**

When choosing a partner to assist in your trade show program's success, put your trust in a company that is willing to be involved early and often, who will listen to your needs and pain points, who are willing to think outside the booth-building box and take an involved role in your company's program. At Xibeo, our goal is to move beyond the role of vendor to becoming an invaluable partner in your success.

A New Trade Show Experience

Video production and live internet broadcasting
to expand your message beyond trade shows

Why Video Production?

Amplify your brand message from face-to-face engagement to virtual presentations! We help you connect your brand with your customers no matter where they are located.

- *Video is 600% more effective as a marketing tool than print and direct mail combined*
- *Mention the word “video” in an email subject line & click through rate increases 13%*
- *Viewers retain 95% of a message when they watch it in a video compared to 10% when reading it*
- *76% of marketing professionals plan to use video to increase their brand awareness*
- *Marketing professionals who use video grow revenue 49% faster than non-video users*

A New Trade Show Experience

How we can help

- Marketing/ Brand videos
- Live Panel discussions
- Live & remote Sales Meetings
- New Product announcements
- Interactive product demonstrations with live Q&A sessions
- A platform for customer interactivity with separate break-out rooms to chat while production is streaming

We look forward to being of
service to you!
